Login/registration interface language is now english

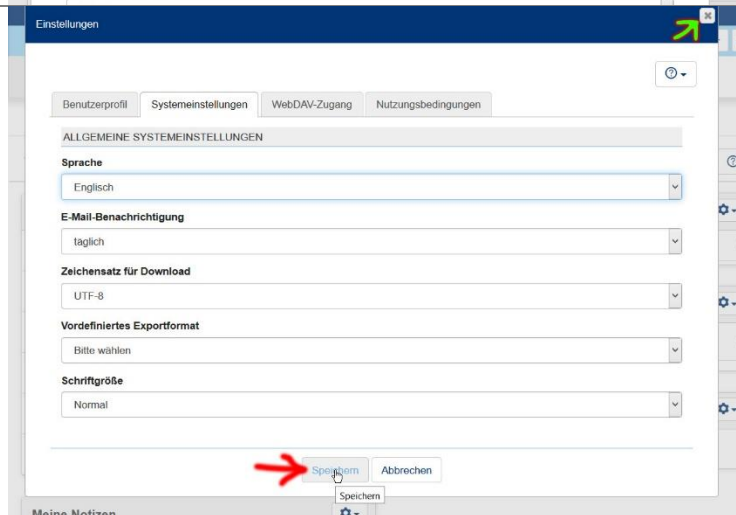

## Course system user interface

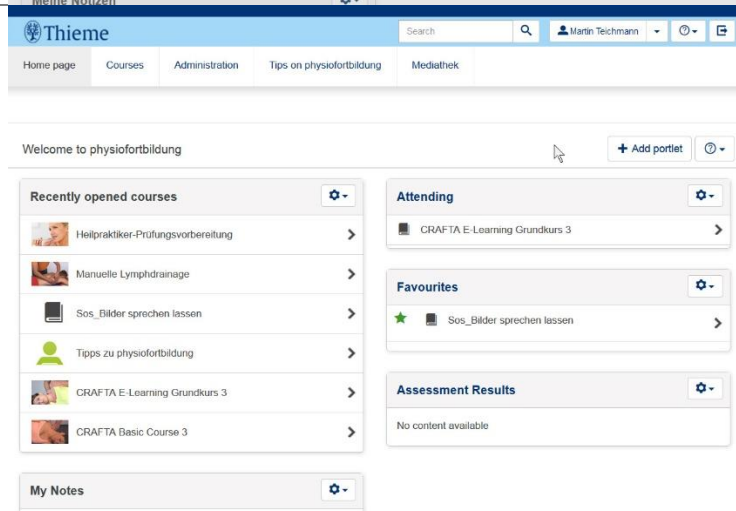

1. Please click on the arrow beside your username, (red arrow in picture)
2. Choose "Einstellungen" (green arrow) in the drop down menu
3. The settings window will appear

1. Please click on "Systemeinstellungen", (red arrow in picture)
2. Click on "Deutsch" (green arrow) to change language setting to English

1. Save your changes (red arrow in picture) and
2. Close the window (green arrow)

E-Learning user interface should be displayed in English language now.

With best wishes  
Your E-Learning Team
